17 October 2005

Dear Mr. Kovacevic,

On behalf of the United Nations Division for Social Policy and Development and specifically the United Nations Programme on Youth, I would like to acknowledge the participation of the World Youth Bank in the events related to the review of the World Programme of Action for Youth to the Year 2000 and Beyond (WPAY+10) during the sixtieth session of the General Assembly.

The organization of the discussion on the World Youth Bank Project added significant value to the ten year review of the WPAY+10. Your participation strengthened a dynamic and successful programme throughout the week of 3 October 2005, created a lively atmosphere and highlighted the important contribution of young people to the work of the United Nations. We greatly appreciate the effort you undertook to this end.

Yours sincerely,
